Product Finishes

Furniture

FINISHES

✕ Deluxe Finish

Our Deluxe Finish features anodised aluminium slats with the flexibility to powder coat the frame, endcaps and arm rests in your choice of colour.

✕ TimberImage

TimberImage™ offers a choice of three realistic timber-look slat colours. Pair it with your preferred powder coat colour for the frame, endcaps and armrests.

✕ Designer Finish

Our Designer Finish lets you powder coat every surface in the colour—or colours—of your choice. Go bold with a single tone or mix it up with a custom palette.

✕ Hardwood/Onewood

Both Hardwood and Onewood finishes let you powder coat the frame and armrests in the colour of your choice.

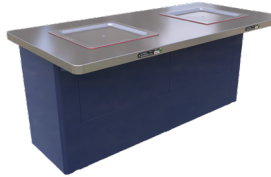

BBQ Range

FINISHES

✕ Deluxe Finish

The BBQ Deluxe finish lets you powder coat the cabinet in the colour of your choice. Built tough, with a look that fits your space.

✕ Stainless Steel Finish

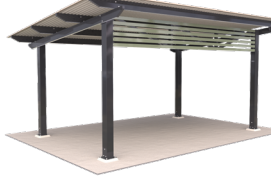

Our Stainless Steel BBQ finish features a full stainless construction including the cabinet. Choose from 304 Stainless Steel as standard, or upgrade to 316 Stainless for extra corrosion resistance in coastal environments.

Shelter Range

FINISHES

Our shelter frame, roof beams and screen slats can be powder coated in any colour you choose. For the roof, take your pick from a wide range of colours in the Colorbond® palette. Other shelter finishes include:

- ✕ Timber Image Post
- ✕ Timber Image Screen Slats
- ✕ Colourbond Ultra Roof
- ✕ Permalite Roof
- ✕ Insulated Roof (50mm Thick)
